Carlsbad Unified School District
2021-2022
Health and Safety Measures for Back-to-School

**STAFF VACCINATION**
All school employees, subs, coaches, volunteers and other adults will be required to show proof of COVID-19 vaccination or submit to weekly testing at a district facility.

**HAND WASHING**
Students will receive frequent opportunities to wash and/or sanitize their hands. Hand sanitizing stations are available at the entrances to classrooms and throughout facilities.

**AT HOME SCREENING**
Employees and students are expected to conduct an at-home COVID-19 symptoms screening daily. Those with symptoms of exposure are expected to stay home from school and consult with medical personnel.

**HAND WASHING**
Students will receive frequent opportunities to wash and/or sanitize their hands. Hand sanitizing stations are available at the entrances to classrooms and throughout facilities.

**VACCINE PROMOTION**
The COVID-19 vaccination is highly effective at preventing hospitalization and minimizing the severity of the illness. Every eligible staff, student (ages 12+), and family member is urged to be vaccinated. The District will host two upcoming clinics.

**CLEANING PROTOCOLS**
Facilities will be cleaned daily with special attention to high touch areas using quality supplies rated to eliminate COVID-19. Classrooms and offices will be sprayed weekly with electrostatic treatments.

**CONTACT TRACING**
Protocols for positive cases and contact tracing will continue in accordance with public health requirements, including potential isolation and quarantine. Those with possible exposure will be referred for COVID-19 testing.

**VENTILATION**
MERV-13 filters and HEPA air filtration systems have been installed in all classrooms and high-traffic areas, and replaced regularly. Windows and doors can be opened for circulation.

**STAFF VACCINATION**
All school employees, subs, coaches, volunteers and other adults will be required to show proof of COVID-19 vaccination or submit to weekly testing at a district facility.

**MASK WEARING**
- **Indoors:** Per CDPH, masks are required for all individuals, regardless of vaccination status, indoors in K-12 schools
- **Outdoors:** Masks are not required outdoors, but should be readily available to put in place upon entering indoor spaces.

**CLEANING PROTOCOLS**
Facilities will be cleaned daily with special attention to high touch areas using quality supplies rated to eliminate COVID-19. Classrooms and offices will be sprayed weekly with electrostatic treatments.

**CONTACT TRACING**
Protocols for positive cases and contact tracing will continue in accordance with public health requirements, including potential isolation and quarantine. Those with possible exposure will be referred for COVID-19 testing.
